ARTIST CARE GUIDELINES

The Artist is asking for the respect of the entire crew. No racism, no sexism and no queerphobia will be tolerated, only in a good mood and professional attitude.

Train your crews and set up procedures to prevent all forms of oppressive and violent behaviors. The party will only get better.

Before the performance

- The phone number of the Artist care manager should be provided to the Artist for immediate communication in case of any emergencies occurring within the club.
- The Artist care manager shall provide in advance all the routing ground information from the venue to the hotel.
- The Artist care manager shall pick up the Artist at the entrance of the venue.
- The Artist care manager shall provide the guidance from the entrance to the green room.
- The Artist care manager shall provide the guidance from the green room to the booth/stage.

During the performance

- No unauthorized individuals are allowed behind the Artist or in close proximity to the DJ booth without explicit permission from the Artist.
- The Artist care manager shall check up on the Artist at the booth every 30 minutes to make sure everything is okay.

After the performance

- The Artist care manager shall provide the guidance from the booth/stage to the green room.
- The Artist care manager shall provide the guidance from the green room to exit.

GENERAL SAFETY

- The driver must be sober.
- A protocol on sexual harassment, discrimination, racism, homophobia, transphobia, etc. must be in place at the venue.
- An established safety team or well-defined safety policy must be in place at the venue.
- A secured and calm green room area should be provided for the Artist.

By signing this document, the promoter agrees to accept and comply with all conditions outlined in the rider.
